Wright TRA20 Manual 120304 - Sine Pump, Wright Pump, APV

1. Operation, maintenance and erecting instruction manual 1.1 Preliminary information This Instruction Manual contains important information on operation, maintenance and erection of the pump. It is compulsory that the service personnel and the persons in charge should read

1. Operation, maintenance and erecting instruction manual

Place the seal housing in a press with the removal holes at the top of the housing. This side of the seal housing will face into the wet end of the pump. Insert one support ring, item 520, into the seal housing such that the flat surface of the ring rests on the step in the housing. This will not require a press.
