Debate is a process that involves formal discussion on a particular topic. In a debate, opposing arguments are put forward to argue for opposing viewpoints. Debate occurs in public meetings, academic institutions, and legislative assemblies. It is a formal type of discussion, often with a moderator and an audience, in addition to the debate participants.

1. Introduction. The "argumentative essay"™ is the most common genre that undergraduate students have to write (Wu, 2006: 330), particularly in the arts, humanities and social sciences (Hewings, 2010). Although the nature of the essay varies considerably across and even within disciplines, the development of an argument is regarded as a key feature of successful writing by academics across ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
