The SAT is typically taken by high school juniors and seniors. The College Board states that the SAT measures literacy, numeracy and writing skills that are needed for academic success in college. They state that the SAT assesses how well the test takers analyze and solve problemsâ€”skills they learned in school that they will need in college [citation needed].

This is less a 'study guide' and more of a 'book of practice problems'. Both useful things, but they serve different purposes. This book does talk about some strategies for taking the FE in the very beginning, but more along the lines of why questions are asked certain way, and less about test taking strategies.
