electives include college preparatory courses in English; fine arts; foreign languages; social science; humanities; mathematics; physical education; and laboratory science (courses for which biology, chemistry, physics, or earth science is a prerequisite).

South Carolina Commission on Higher Education CHE Approved

Where does the curriculum for the college prep courses come from? School districts should assign instructors with a successful record in Algebra 1 and Algebra 2 instruction to the math college prep course. The curriculum follows the TEKS objectives for Algebra 1 and part of Algebra 2 relatively closely, and instructors should be able to make use of existing lesson plans and techniques.

The HB5 College Preparatory Courses in English and Math
