### **Google Drive: Sign-in**

Self-publishing is the publication of media by its author without the involvement of an established publisher. In common parlance, the term usually refers to physical written media, such as books and magazines, or digital media, such as e-books and websites. It can also apply to albums, pamphlets, brochures, video content, zines, or uploading images to a website.

These are 19 publishers who are actively seeking Christian manuscripts of all stripes and genres. Most of these publishers are traditional publishers, but I do have a few on this page that are hybrid publishers (half self-publishing and half traditional publishing) and also some that are self-publishers.
