Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.

Who is Michael the Archangel in the Bible? Michael the Archangel is a very important individual in heaven. Archangel means "chief of the angels", so Michael must be the chief or leader of the angels. (Later, we will find out from the Bible that Michael is actually the commander of the Lord's army of angels in heaven.)
