CRISIS OF CONSCIENCE. Thus, the religious organization that, for many, has long been a symbol of extreme authoritarianism showed the greatest degree of tolerance toward its dissident instructor; the organization that has taken particular pride in its fight for freedom of conscience showed the least.

Crisis of Conscience is the first and only book about the Canadian pacifists who refused to fight in the Great War. The experience of these conscientious objectors offers insight into evolving attitudes about the rights and responsibilities of citizenship during a key period of Canadian nation building.
