Choose the Right Synonym for critical. critical, hypercritical, faultfinding, captious, carping, censorious mean inclined to look for and point out faults and defects. critical may also imply an effort to see a thing clearly and truly in order to judge it fairly. a critical essay hypercritical suggests a tendency to judge by unreasonably strict standards.

Critical | Definition of Critical by Merriam-Webster

Critical pedagogy is a philosophy of education and social movement that has developed and applied concepts from critical theory and related traditions to the field of education and the study of culture. Advocates of critical pedagogy view teaching as an inherently political act, reject the neutrality of knowledge, and insist that issues of social justice and democracy itself are not distinct ...

Critical pedagogy - Wikipedia

Critical theory is the reflective assessment and critique of society and culture by applying knowledge from the social sciences and the humanities. As a term, critical theory has two meanings with different origins and histories: the first originated in sociology and the second originated in literary criticism, whereby it is used and applied as an umbrella term that can describe a theory ...

There are lots of different ways of understanding and relating to voices and other similar sensory experiences. Some people view their experiences as a symptom of a mental health problem, relating to diagnoses like psychosis, schizophrenia, anxiety, depression or PTSD.

About Voices - Intervoice

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
