A cutman is a person responsible for preventing and treating physical damage to a fighter during the breaks between rounds of a full contact match such as a boxing, kickboxing or a mixed martial arts bout. Cutmen typically handle swelling, nosebleeds and lacerations. In addition to degrading a fighter's performance, the rules of combat sports stipulate that these injuries can be a cause for ...

Exercise is also a great way to calm the nervous system and to teach physical self-control. Team sports that require advanced skill and social interactions probably aren't a good idea, but depending on your child's age, skills, and fears, going to the gym or the pool, rolling a ball across the floor, or heading out for a family walk or run can help reduce stress and feed sensory needs.
