

### **dead mans hand a pdf**

The dead man's hand is a nickname for a particular poker hand, popularly a two-pair of black aces and black eights, although definitions of the hand have varied through the years.. Such a hand is said to have been held by Old West folk hero, lawman, and gunfighter Wild Bill Hickok when he was murdered. No contemporaneous source records this hand's exact cards, but Frank Wilstach's 1926 book ...

A dead man's switch (for other names, see alternative names) is a switch that is designed to be activated if the human operator becomes incapacitated, such as through death, loss of consciousness, or being bodily removed from control. Originally applied to switches on a vehicle or machine, it has since come to be used to describe other intangible uses like in computer software.

James Fulford at VDare asks the question not one corporate media outlet will dare consider when covering the latest mass shooting in Aurora, Illinois: did the recently fired Gary Martin, a black male with a criminal record disqualifying him from owning a firearm, target whites in his shooting spree? They were murdered in the latest shooting by a black male.
