Dead Scared is the story of needy and insecure young women, in a new and unsettling environment, who are preyed upon by those who not only know these girlsâ€™ deepest fears, but are prepared to exploit them to the bitterest end. These people, practising a new kind of evil, believe themselves invulnerable.

### **About - Kickstarter**

Dead Scared explores the circumstances that might take a person to the ultimate breaking point. While I continue to take some issue with the authors storytelling methods, the overall effect is a superb and thrilling novel.
