delusional self trust the pdf

A delusion is firm and fixed belief based on inadequate grounds not amenable to rational argument or evidence to contrary, not in sync with regional, cultural and educational background. As a pathology, it is distinct from a belief based on false or incomplete information, confabulation, dogma, illusion, or some other misleading effects of perception.

Delusion - Wikipedia

Delusional disorder is a generally rare mental illness in which the patient presents delusions, but with no accompanying prominent hallucinations, thought disorder, mood disorder, or significant flattening of affect. Delusions are a specific symptom of psychosis. Delusions can be "bizarre" or "non-bizarre" in content; non-bizarre delusions are fixed false beliefs that involve situations that ...

I came across an interesting statistic recently; 25% of relationships that start as affairs succeed.

“Succeed” is defined as the couple staying together, rather than by the quality of the relationship.

When I did the video on how to get over a girl I had a lot of questions from guys on how to avoid bringing the wrong woman into your life so in response I wanted to break down for you the exact traits and behaviors you should avoid in the women you date. I define the type of woman you want to avoid dating, not because she’s a bad person per say, but because she’s going to be toxic [!]

If there’s one thing that coaches across every sport and at every level really want, it’s athletes with great attitudes. More than tremendous ability, great strength, solid conditioning, or even an in-depth tactical understanding of the game, an athlete’s attitude can make or break a coach’s experience on the team and his or her ultimate success.
