Classification of workplaces. In a journal article entitled "The multicultural organization" by Taylor Cox, Jr., Cox talks about three organization types that focus on the development of cultural diversity.

Diversity (business) - Wikipedia

Genetic diversity is the total number of genetic characteristics in the genetic makeup of a species. It is distinguished from genetic variability, which describes the tendency of genetic characteristics to vary.. Genetic diversity serves as a way for populations to adapt to changing environments. With more variation, it is more likely that some individuals in a population will possess ...
