Penelope L. Peterson is the dean of the School of Education and Social Policy and Eleanor R. Baldwin Professor of Education at Northwestern University. Her research encompasses many aspects of learning and teaching as well as the relationships between educational research, policy, and practice.

Theories of Learning and Teaching What Do They Mean for

Rather than having to travel in to the College, it is possible to undertake learning in the convenience of the home, hospital or practice. Learning can be individualised and accommodates many learning styles. Self-paced learning modules allow learners to work through materials at a pace that suits them.

Good practice guide: eLearning - RCOG

The good news is that more and more companies and lawyers are using plain English and filing documents with the SEC that others can study, use, and improve upon. With the SEC's plain English rules in place, every prospectus will have its cover page, summary, and risk factors in plain English.
