Dear Fellow Alaskan, - dhss.alaska.gov

What governmental agencies once regarded as simple billing errors are now routinely pursued as fraud and abuse. As efforts of state and federal government and private payors have grown more aggressive in their pursuit of healthcare providers on alleged fraud and abuse issues, the need for seasoned counsel has grown acute.

Medicaid in the United States is a federal and state program that helps with medical costs for some people with limited income and resources. Medicaid also offers benefits not normally covered by Medicare, including nursing home care and personal care services. The Health Insurance Association of America describes Medicaid as "a government insurance program for persons of all ages whose income ...
