Magician with lop-sided ears carries them innocently through a magical world of fun-house mirrors, glass balls, animated tin/lead soldiers, enchanted toy swords and decks of cards full of powerful manifestations.

The Magic Shop by H.G. Wells - Goodreads â€” Share book

â€œInto the Magic Shop is pure magic! That a child from humble beginnings could become a professor of neurosurgery and the founder of a center that studies compassion and altruism at a major university, as well as an entrepreneur and philanthropist is extraordinary enough.

Into the Magic Shop by James R. Doty, MD

Magic pervades many worlds of the Basic Roleplaying game system, for in the game every adventurer â€” every character â€” has the capacity to manipulate invisible powers. Though the beliefs of the user shape his or her approach to magic, all magic works by certain principles which stem from the life force of the user.
